With the intention of really killing, I..

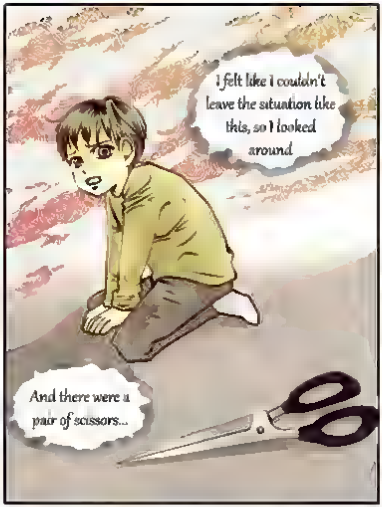
Stabbed someone with a pair of scissors before

Salon H

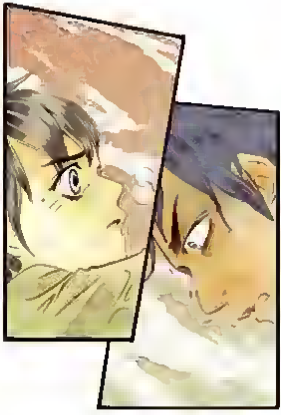
My father usually abused my mother whenever he was drunk.

But he was particularly aggressive and unyielding that day

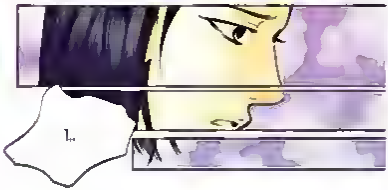
Seeing blood trickle down from mother's nose and mouth, I felt danger



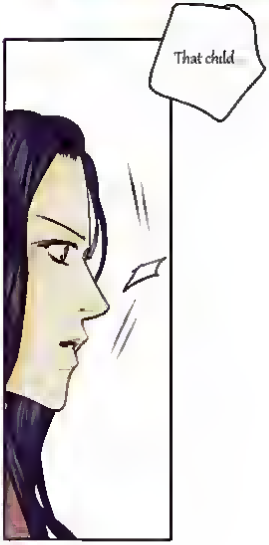
I felt like I couldn't leave the situation like this, so I looked around
And there were a pair of scissors...



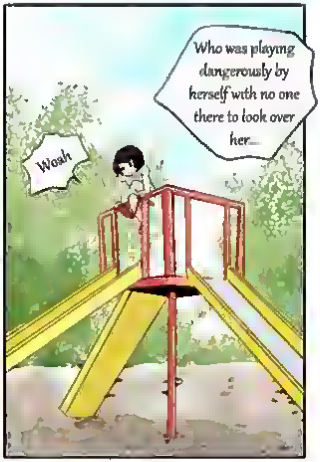
Kiss of Darkness Scans



Just... saw a kid in danger when I was going to work...



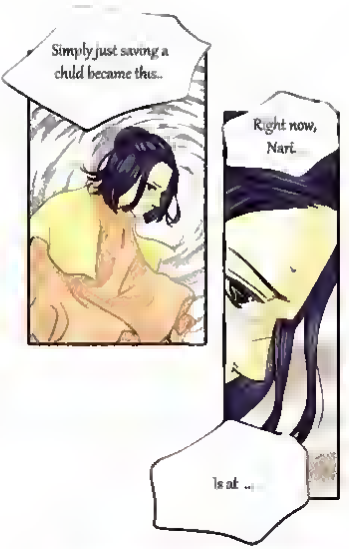
That child...



Who was playing dangerously by herself with no one there to look over her...
Woah

Reminded me of my younger sibling who died on an accident while playing by herself
I just wanted to save her.

That child seemed like my younger sibling... I couldn't lose her
When I snapped out of it, the time passed and the situation became big...



Simply just saving a child became this..
Right now, Nari..

What? What did you say?

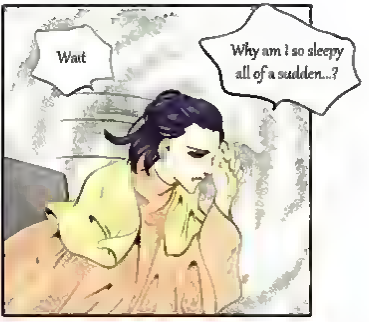
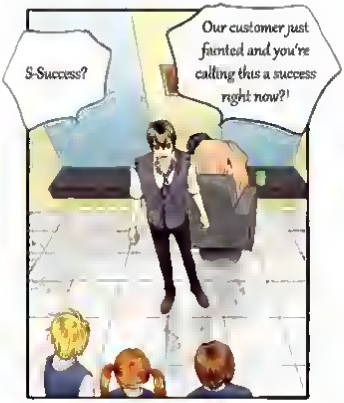
Study of Darkness Scans



Don't sleep, wake up!
What's with this woman?
You have to tell me where the child is-

W-What is this What's wrong with her !
KYA! SUCCESS, IT'S A SUCCESS!! IT'S GOING ACCORDING TO PLAN!!

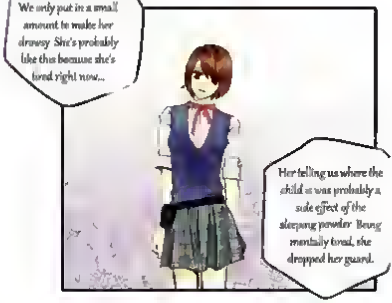


S-Success?
Our customer just fainted and you're calling this a success right now?!

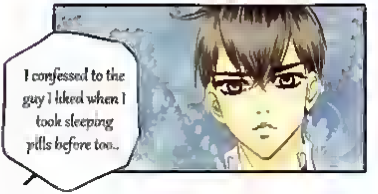
We put in sleeping powder in her juice a moment ago~ We only put in a little, but since she's so tired, the effect kicks in at full effect!
We no longer need to worry about her hurting herself. We can just call the police and hand her over to them and it'll all be over~!!

Kinds of Loneliness
Scans

S,SHIT! SHE WAS JUST GOING TO TELL ME WHERE THE CHILD WAS BUT THAT GOT RUINED BECAUSE OF YOU GUYS. WHAT ARE YOU GOING TO DO ABOUT IT?!
AND YOU DRUGGED HER? WHAT IF SOMETHING WENT WRONG? ARE YOU GUYS GOING TO TAKE RESPONSIBILITY?!



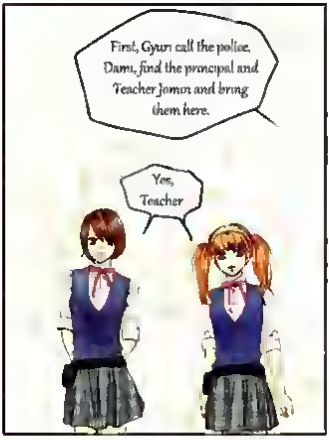
I know the side effects of sleeping powder well. We only put in a small amount to make her drowsy. She's probably like this because she's tired right now...
Her telling us where the child is was probably a side effect of the sleeping powder. Being mentally tired, she dropped her guard.



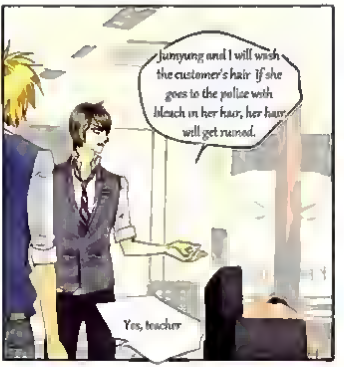
I know the side effects will because of my insomnia, so don't worry. There won't going to be any huge problem. The police will find where the child is. It's better than listening to a drugged woman and taking action based on her account.
She doesn't lose at one word does she-

But why is she carryong around sleeping pills?

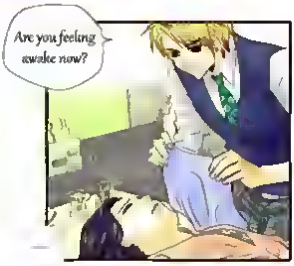
Teacher, so what should we do? Please decide now
Ah...



First, Gyun call the police. Dami, find the principal and Teacher Jomin and bring them here.
Yes, Teacher



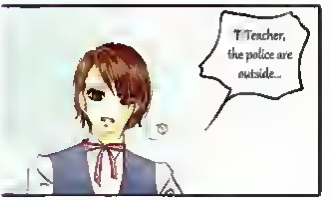
Junyung and I will wash the customer's hair. If she goes to the police with bleach on her hair, her hair will get ruined.
Yes, teacher



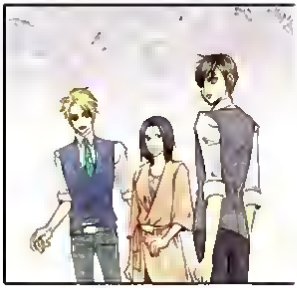
Are you feeling awake now?

Are you okay? I'll help you get up
No, it's fine.

Because I wasn't keeping time of your bleaching process, the color probably won't come out evenly.
...Yes...



T-Teacher, the police are outside...



We received a report.
Is Jung Yunjt here?!
